

LES INROCKUPTIBLES – BILAN 2007

TOP 10.

01.

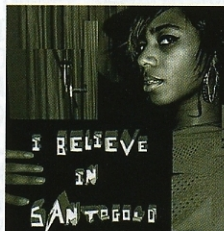

JUSTICE
D.A.N.C.E.
ED BANGER/BECAUSE

Loin de la hype fluo biodégradable, le duo parisien voit loin – devant et derrière. Pour ce tube planétaire, il a eu l'idée géniale d'un chœur d'enfants à la Jackson 5 – devenu un hymne depuis – qui lui ouvre d'excitantes perspectives pop.

02.

SANTOGOLI
CREAT
LIZARD KING RECO

Ces nouveaux venus débarqués de Brooklyn brassent hip-hop, R&B, electro et pop pour un résultat détonant qui laisse augurer d'une nouvelle génération post-M.I.A., Spank Rock et Diplo (tous présents sur un album à venir Vivement 2008).
